Online Schooling for Moorish Children Vision Statement

Education is an important key to success and a bright future. Here at Online Schooling for Moorish Children, we strive to give our students vision, determination and motivation by providing a virtual learning path to elementary, middle and high school education. We instruct our students, your children, in a manner that sets them on a course to the lifelong practice of self-motivated learning, self-esteem and self awareness, in an environment nurturing them for a thriving future. We believe in the true essence of education and not the indoctrination of our students.

Online Schooling for Moorish Children Mission Statement

- 1) We will provide a challenging, quality education; taking into account each individual student's learning style.
- 2) We provide a virtual learning environment, without the restrictions of time and place, allowing students to take ownership and responsibility of their learning experience.
- 3) We provide a comfortable schooling culture, based on a strong and effective partnership between administration staff, instructors, parents, and students.
- 4) We work diligently to educate our student's minds with excellence.
- 5) Failure is not an option at OLSFMC

Online Schooling for Moorish Children's Values

1) We value quality in education. We want all of our students to become erudite being appropriately challenged, such that they are adequately prepared to face their next step in life, whether it is college, entrepreneurship or any other career. We value quality instructors who are eager to see their students succeed. We expect students to work to the best

of their ability, not just turning in assignments with the intent of doing just enough to get by.

2) Here at Online Schooling for Moorish Children, we value sincerity, honesty and integrity. We do not make misleading statements to prospective parents or students; we strive to present the aspects of our school as accurately as possible. We conduct our daily operations with honesty and integrity in mind, body and spirit, and we expect our staff and students to do the same.

We're looking forward to educating our student's,
Your child(ren) minds to excellence.
